## **PLAGIARISM AND PHOTO-PRESS RELEASE WAIVER**

Signing this form releases the Western New York Science Congress, Inc from any responsibility and liability for the student's actions or activities in carrying out his/her science entry. It confirms that parents, students, and sponsors have read, understood, and followed the WNY Science Congress Guidelines and Safety Considerations found on the website [www.wnyssc.org](http://www.wnyssc.org)

I acknowledge that copying (including cutting and pasting) of ideas and works that belong to others is plagiarism. I pledge not to copy or use ideas from others or their work without identifying or documenting the source. I understand that my entry will be disqualified and removed from consideration of all monetary, medal, or special awards. (I will be eligible to receive a participation certificate only.) For further information I have visited and read the material at [www.plagiarism.com](http://www.plagiarism.com)

The parent/guardian signature on this form gives permission to WNY Science Congress, Inc to take photographs or video of the student and/or project for promotional, educational, and safety purposes. Rights to compensation or remuneration are waived and all photos and video taken become the property of WNY Science Congress, Inc. By signing this form, permission is given to publish your child's name on the website or media. If the parent/guardian does not wish photographs to be taken, a letter indicating so must be written and received by **April 1, 2011** to: WNY Science Congress, P.O. Box 225, Cheektowaga, NY 14225
